Summer holidays

**Our Kindergarten students beat the heat with a fun-filled Splash Pool Party on the school campus! The tiny tots arrived in colorful swimwear, ready for a day of water play, laughter, and music. With small splash pools, water sprays, and playful activities, the children enjoyed sliding, splashing, and playing with water toys under the watchful eyes of their teachers.**

**The joy on their faces said it all as they cooled off and bonded with friends. It was a perfect blend of fun and learning, helping the little ones build confidence and social skills while creating happy summer memories.**

# Mother's Day celebration on 9.05.26

Our school was filled with love, laughter, and tiny hugs as the little ones celebrated Mother's Day with great enthusiasm. The tiny tots performed heartfelt songs, recited poems, and presented handmade cards and crafts made just for their moms. Their innocent performances and sweet gestures made the day truly special, leaving many mothers emotional and proud. It was a beautiful reminder of the bond between a mother and child, and a day our little ones will remember with joy.
